

AIR FREIGHT CLEARANCE

ARRIVAL

Your overseas cargo arrives at an Australian air terminal, ready for customs clearance.

If the value of the cargo is over \$1000, then GST is payable.

Contact MTF Logistics to arrange clearance of your cargo.

2

DOCUMENTS

You will need to provide to MTF Logistics the following documents:

- Commercial Invoice
- Air Waybill Document
- Authorisation Form

3

SCENARIO 1

Your cargo is released by customs and quarantine.

MTF Logistics will arrange delivery or collection of your cargo.

SCENARIO 2

Your cargo is released from customs, but requires inspection by quarantine.

MTF Logistics arrange for your released cargo to be transported to the quarantine facility for inspection.

SCENARIO 3

Your cargo is held by customs and requires inspection by quarantine.

MTF Logistics will advise progress of customs assessment.

Once your cargo has cleared customs, MTF Logistics will arrange for your cargo to be transported to the quarantine facility for inspection.

CUSTOMER DELIVERY OR COLLECTION

Once your cargo has been successfully released from customs and quarantine you will be notified via email.

MTF Logistics can arrange delivery of your cargo directly to your location or if collection from the air terminal is preferred, appropriate arrangements will be made.
